VIKING

Day 1 – Sunday, October 4, 2026
Paris, France

Embark your ship and settle into your state-room. Long a hub of French culture and cuisine, Paris is one of the most romantic destinations in the world. Admire iconic landmarks, such as the Eiffel Tower, Arc de Triomphe, or browse the Louvre Museum.

Day 2 – Monday, October 5, 2026
Paris, France

One of the most pleasurable activities in Paris is whiling away the time in one of the city's outdoor cafés. Sip a coffee at a Parisian café and mingle with locals over an evening cocktail. See the major sights of the romantic "City of Light" with a knowledgeable local guide, visit one of the most celebrated districts in Paris – Montmartre Hill, or simply relax on your ship and let the world go by.

Day 3 – Tuesday, October 6, 2026
La Roche-Guyon & Vernon, France

Take in the scenery in this traditional village and see its imposing hilltop medieval castle. Visit the impressive castle of La Roche-Guyon and learn all about "Les Arts de la Table" during a workshop, or visit the enchanting gardens and estate that inspired one of history's great painters, founder of impressionism, Claude Monet.

Explore charming **Vernon**; stroll the town's cobblestone streets and admire its quaint houses. This idyllic setting is home to a number of historic monuments.

Please note: Some of the descriptions in this itinerary include shore excurions that may be an additional fee.

Ask MAGIC for details.

Day 4 – Wednesday, October 7, 2026
Scenic Sailing: Seine River, Rouen, FR

Sail the Seine through Normandy, relax and admire vistas rolling fields, picturesque villages and historic abbeys on these bucolic banks. As the Seine makes its sleepy and serpentine way to the English Channel, it winds along for 240 miles from Paris.

In **Rouen**, see the glorious Rouen Cathedral, which so captivated Claude Monet that he painted it many times in varying light, and Gros-Horloge Astronomical Clock amid half-timebered houses. The city is perhaps best known as the site of Joan of Arc's last stand; the patron saint of France was tried and condemned here for heresy and burned at the stake in 1431.

Day 5 – Thursday, October 8, 2026
Normandy Beaches, France

Visit the legendary D-day beaches along the Normandy coast and the American Cemetery. Ponder the courage of the Allied troops who changed the course of World War II.

Day 6 – Friday, October 9, 2026
Les Andelys, France

Encounter the hilltop Château Gaillard, built in the 12th centruy by Richard the Lionheart. Explore one of the most fantastic fortresses of Normandy while admiring sweeping views of the Seine as it winds its way through the countryside.

Day 7 – Saturday, October 10, 2026
Paris (Le Pecq), France

Wander though the lively Latin Quarter or explore the quaint streets of charming Montmartre. Here, the origins of Paris can be traced back to a Gallic settlement founded during the 3rd century BC.

In **Paris**, visit the historic château where Napoleon Bonaparte spent his final days in France, visit the Palace of Versailles, the former home of French Kings, or see Paris in all its illuminated glory as you drift along the Seine River on a leisurely night cruise.
