

Glacier National Park & Canadian Rockies

October 18, 2017

Greetings Nationwide Retirees, Family & Friends!

In less than a year you will be exploring Glacier National Park and the Canadian Rockies together! There is a total of 41 group guests on one motor coach, including our host, Joanne McHugh, plus a professional Tour Director and Driver. It is time to start thinking about your travel arrangements for flights and any pre & post tour plans.

Flight Arrangements

To coordinate exactly with the tour package, flights should be scheduled to arrive into Calgary by 4PM on September 8. We will enjoy a reception at 6PM that first evening so please schedule accordingly. Transfers on September 8 from the airport to the hotel can be added for \$19 per person. Return flights on September 16 can be scheduled anytime. Breakfast is included the last morning on 9/16 and transfers to Calgary airport are included on the tour end date.

Flight options are coming soon...stay tuned!

The majority of participants are from the central Ohio area. Magic Cruises & Tours is researching group flights out of Columbus, OH for Sep 8 returning Sep 16. Please let us know if you are considering extending your stay so we know how many seats we will need to secure. We are happy to assist all guests flying from other cities and/or traveling on other dates as well. If you are making your own flight reservations please send your flight itinerary so we can add the details to your reservation file.

Pre & Post Tour Plans

You may add an additional night in Calgary at the beginning or end of your tour for \$96 per person, based on double occupancy. This cosmopolitan Alberta city with numerous skyscrapers, owes its rapid growth to its status as the centre of Canada's oil industry. However, it's still steeped in the western culture that earned it the nickname "Cowtown," evident in the Calgary Stampede. It is situated at the confluence of the Bow River and the Elbow River, and offers a variety of highlights.

Several group members have expressed an interest in adding the **Rocky Mountaineer Rail** to the tour. MAGIC can help you customize a Rocky Mountaineer Rail tour to coincide with the group tour dates.

Sample Pre-Tour Itinerary: "First Passage to the West Classic" from \$2897 per person in Silver Leaf Service. Gold Leaf Service from \$3484 per person, based on double occupancy.
