In addition to the above penalties, Magic Cruises & Tours charges \$25 per person administrative fee. Travel insurance may protect you against these cancellation fees.

Travel Insurance: Magic Cruises & Tours recommends the purchase of travel insurance to cover yourself and your investment in the case of unexpected circumstances. Globus offers a Travel Protection Plan for the price of \$229-\$289 per person. In addition to cancellation coverage, this program provides medical/emergency and more. See description of coverage in the Globus brochure. Purchase this at time of initial deposit for Waiver of Pre-Existing Medical Conditions Exclusion. Magic Cruises & Tours also offers protection through the Allianz Horizon Plan for 6.5% of your trip cost. This coverage waives pre-existing conditions if purchased on or before making your final payment.

Rates: Tour prices are based on a minimum of 30 participants. In the unlikely event the group should fall below 30, pricing is protected, however, our group will share the motor coach with other guests. All vacation prices and itinerary are based on rates known at the time of printing and will be confirmed in September 2017. Prices are subject to increase without notice if such rates change prior to departure due to, but not limited to, surcharges and government tax increase.

Passports: Valid passports are required to fly to/from Canada. Expiration date must be at least 6 months beyond travel date.

Smoking: Smoking is not permitted on the motor coach. Non-smoking hotel rooms are reserved for the group.

Guests with Special Needs: At the time of booking, Magic Cruises & Tours requires notification of any special medical, physical, dietary needs or other requirements of passengers. Globus, the tour operator, will make reasonable attempts to accommodate the special needs of disabled travelers, but is not responsible for any denial of services by carriers, hotels, restaurants, or other independent suppliers. The touring motor coach is not equipped with wheelchair lifts or ramps. We regret we cannot provide individual assistance to a vacation participant for walking, dining, getting on and off motor coaches and other vehicles, or any other personal needs. A qualified and physically capable companion must accompany travelers who need such assistance, and must assume full responsibility for their well being. Motorized scooters are unsuitable for this tour program. Participants must be able to climb a few flights of stairs and walk for some duration (if necessary).
