### Optional Pre & Post Travel Plans

Princess offers a variety of 1-3 night pre/post-cruise/tour hotel packages to enhance your trip. For example, you may consider starting your trip one day early with an extra night in Fairbanks for only \$106 per person—you'd be rested and ready to go for the start of the trip! If you are doing the 7-night cruise, you can begin with an extra night or two in Anchorage to enjoy the area before your cruise. You can even add on a scenic train ride from Anchorage to the pier in Whittier instead of using the motor coach transfer. When your cruise ends in Vancouver, there are many options to consider if you have time and the budget to extend your trip. More information is available at the webpage [www.magiccruises.com/nationwide](http://www.magiccruises.com/nationwide), and please call us for assistance.
