Discover the second smallest independent state in the world after the Vatican as you explore and discover Monaco.

Your walking tour will first take you to the Prince's Palace where you will can enjoy the view of the Palace which was first built as a fortress by the Genoese in 1215 and have been held by the Grimaldis Family for over 600 years.

Your next stop will take to the heart of the old city and the St. Nicholas Cathedral. Here you will have some free time to discover the beauty of the cathedral or venture off to explore city shops as well as enjoy the breathtaking views of the Mediterranean.

Soon you will rejoin your group for a private tour of the Oceanographic Museum. Built on the side of Monaco's legendary Rocher, the Oceanographic Museum founded by H.S.H. Prince Albert II of Monaco's great-great-grandfather Prince Albert I has been watching over the oceans for more than a century. Here you will discover a vast array of aquariums as well as The Whale Room and the Prince Albert I Room which are voyages of oceanographic discoveries on their own. Then, on the top floor you can enjoy the Terrace with fantastic views before returning to the ship.

Please note: *Guests are advised to wear comfortable walking shoes. The cathedral in Monaco may be closed during religious services. Elevators, escalators and uphill from coach parking to Monaco Rock, paved, cobblestones. Steps inside Oceanographic museum.*
