Hello everyone and greetings from ALL the MAGIC Ladies!

We have missed you all so much over the past 14 months! Who would have imagined what a long haul we've had to endure, but hope prevails and the world is adjusting to a new 'normal'. Since the world has changed in the face of this unprecedented pandemic, the cruise industry, airlines, resorts and theme parks have resolved to make science-led, people-first decisions at every step. As cruise lines plan for a gradual return to operations, they will incorporate lessons and insights learned from scientists and medical experts to guide a multi-layered approach that encompasses the entirety of the cruise experience. Health and safety requirements, along with international travel restrictions, continue to change on a weekly basis, making the advice of our travel professionals more important than ever. Our experienced staff at MAGIC continue to embrace all the updates each and every day.

In case you missed the great news, cruise lines are now working with the CDC to finalize plans for sailing this SUMMER from the USA! The European Union is planning to open their doors to guests from the United States as well. The world is beginning to open for travelers, but with new rules in place. The CDC now requires ships to guarantee that at least 98% of crew and 95% of passengers are fully vaccinated. Many countries require proof of vaccination for entry. While a vaccine requirement is not favored by all travelers, the cruise lines have no choice in the matter or they will not be allowed to operate otherwise.

If you are ready to make vacation plans, we are here to assist you every step of the way. You should know that due to pent up demand, availability is already slim in some instances for 2021 and 2022. It feels like a race for space! For example, the Alaska

season for 2020 and most (if not all) of 2021 was canceled, so now all those disappointed folks who were unable to travel then are booking for 2022 and the ships are filling up. Take a look at page 3 for more information on Princess Alaska 2022 and our special offers, and if you're considering visiting Alaska in 2022, don't hesitate to call us and get booked before it's too late! Many cruise lines are now open for reservations into 2023 and beyond. Viking Cruises recently announced their Mississippi River Cruises are now on sale for 2024!

As you review this issue of MAGIC MESSAGES, we hope you feel inspired to travel again. If you would like to receive weekly updates from MAGIC on current travel issues, be sure to share your email with us. Also, feel free to send us your travel photos to share with all our customers which may be posted on facebook, Instagram, etc.

Please let us know how we can help make your dream trip come true. Remember, MAGIC offers trips around the world and right here in the USA. From cruise ships to resorts and villa rentals to escorted tours. Perhaps you will decide to join us on one of our hosted trips! See page 8 or visit our website at www.MagicCruises.com for details.

Warm regards,

WELCOME BACK TO

THE WORLD

We invite you to join Viking Cruises in exploring the world in comfort... once again. Magic Cruises & Tours is currently assisting clients making reservations for voyages in 2021-2023 on Viking River, Viking Ocean, and Viking Expedition Cruises. And Viking recently opened reservations for the Viking Mississippi through 2024.

With cruises put on hold for the past year, many of the departures for 2021 and even 2022 are filling up and almost sold out. MAGIC can work with clients to find the itineraries and accommodations to fit your needs. Plus we stay up to date on the special offers with Viking and might even be able to find exclusive savings or benefits.

Viking Ocean Cruises created a collection of Welcome Back to the World sailings to Iceland and Bermuda in June and July. They are so popular that they virtually sold out in a matter

of days. They continue to announce additional sailings and itineraries. These sailings will kick off Viking's restart program with vaccinated guests, in accordance with local entry rules in many of the destinations—and as a complement to the **Viking Health & Safety Program**, which was designed to protect guests and crew even while the COVID-19 vaccine rollout is still moving forward.

Magic Cruises & Tours are your Viking Experts! Book your Viking cruise with MAGIC and enjoy special cruise pricing and up to FREE airfare! Plus, receive complimentary: Shore excursion in each port, Wifi onboard, beer, wine & sodas with lunch & dinner, specialty coffee, bottled water, locally inspired meals onboard and cultural enrichment programs designed to immerse you into the destinations you are visiting.
