Happy New Year from the Land of MAGIC!

Wow, what a year it's been! Who else is ready to flip the calendar over on 2021 and kiss it goodbye? While our focus is on the future, we understand the challenges that this pandemic brings. Traveling has certainly changed, but millions of us are taking the necessary precautions to remain safe and continue to enjoy getting on an airplane, cruising our beautiful rivers and oceans, and discovering new destinations. This past year, we've had clients and staff in Bermuda, the Caribbean, Europe, Alaska and just about everywhere else you can imagine. If you're smart, safe and vaccinated, you can still enjoy this beautiful world!

Destinations and upcoming group travel opportunities.

Bermuda! MAGIC and WCOL 92.3 in Columbus have an exciting cruise to Bermuda coming up in May. We'll set sail out of New York and spend 2 nights and 3 full days in Bermuda. It's a fabulous destination with friendly people and lovely, pink sandy beaches! See the next page for more details and I hope to see you onboard.

Alaska! Another destination we love is ALASKA! The Magic Ladies are booking now for 2022, 2023, and 2024. If you're thinking about visiting Alaska this summer, there still may be some space available, but you must make your reservation now! Choose from a cruise or combine a cruise and a land tour for the ultimate Alaska experience.

Italy & Greece! This cruise has been on my bucket list for a while, and we're celebrating our upcoming 35th Anniversary in 2023 with a luxurious cruise onboard Oceania Cruises' *Riviera*. We'll sail from Rome, Italy to Athens, Greece with spectacular ports of call throughout the journey. This small ship only holds 1250 lucky guests, so if you're interested in joining us, flip through to page 5 for more information and book soon—I'm

Amalfi Coast

anticipating this cruise to sell out quickly.

Galapagos Islands. Imagine a place where time seems to have stood still. A place where birds like the *Blue Footed Boobie* exist. The Galapagos Islands is a must see destination! I've been there once, and words cannot express the feeling of walking where very few have. It's a wildlife wonderland and should be on your bucket list. Because if I've learned one thing these past couple of years, life is too precious to stop exploring.

After reading this issue of *Magic Messages*, perhaps you'll feel inspired to take a deeper look into your own personal 'bucket list' and let us assist you every step of the way!

Be smart. Be safe, and let's travel again!

Warm Regards,
