50 years in Alaska

Why Experience Alaska with Princess®?

1

#1 Cruise Line in Alaska

Travel Weekly readers have voted Princess the “Best Cruise Line in Alaska” a whopping 19 times. Boasting over 50 years’ experience in the Great Land, Princess has helped more guests make Alaska memories than any other cruise line. With sailings from 7 to 22 days long, you’ll find the perfect journey to suit your interests.

2

Glaciers

Be completely mesmerized by the sheer height of these towers of blue tinged ice some thousands of years old. Relish in the dramatic views of fjords, glaciers and alpine vistas from the deck of one of their iconic ships with itinerary options that take you to Glacier Bay National Park, Hubbard Glacier, College Fjord or Dawes Glacier (Endicott Arm).

3

North to Alaska

Princess’ award-winning North to Alaska program brings local personalities, culture and cuisine on board and ashore to immerse you in all things Alaska during your cruise to the Great Land. Meet local personalities, such as lumberjacks and totem pole carvers, and snuggle with sleddogs-in-training with Puppies in the Piazza, a North to Alaska exclusive.

4

Fresh Alaska Seafood

Taste your way through the Great Land from the main dining room with locally sourced seafood served any way you like. Indulge in chowders, fish & chips and a mouth-watering variety of salmon dishes. Plus, enjoy Wild Spot Prawns cooked to perfection and savor 30 distinctive dishes in the “Wild for Alaska Seafood” program. With Princess’ exclusive “Cook My Catch” excursions, catch your own salmon or halibut with the help of a local expert, and in the evening Princess’ talented chefs will prepare your haul for your dinner!

5

Best Excursions

Explore frontier ports like Juneau, Skagway and Ketchikan on excursions you can only find with Princess. The cruise line partners with Discovery™ and Animal Planet™ to bring you unrivaled experiences. Search for whales, bears and moose. Float on a raft down a pristine river. Even ride a dogsled atop a glacier.

The Great Land has earned a grand reputation. Its sheer size is hard to even fathom — 665,000 square miles of wildly diverse terrain and majestic wonders. Everything feels enormous here, from the massive ice formations of Glacier Bay National Park to the towering top of Denali standing over 20,000 feet and millions of acres of protected land. Princess makes each impressive adventure entirely accessible and is dedicated to traveling mindfully so these jewels can be enjoyed for generations to come.

Fall in love with Alaska by sea

Once you grab onto the idea of exploring Alaska, it's impossible to let go. And if you simply can't getaway for a land and sea cruisetour, you can still experience this Great Land by sea. Cruising Alaska with Princess is as exhilarating as it is effortless, with convenient departure cities and immersive excursions that turn daydreams into daily adventures. From walking on glaciers to exploring wildlife corridors to learning about local customs, your connections to the Great Land — and to one another — will be stronger than you ever imagined.

Choose the cruise that fits you.

An abundance of choice means you're sure to have an experience that's right for you. Follow your personal passions toward tasting authentic food, watching for wildlife, and learning about the culture. Sail away from a convenient city like Seattle, San Francisco, Vancouver, B.C., or Anchorage (Whittier). Tailor the length from 7-, 8-, 10- and 11-day itineraries, all of which include at least one day of glacier viewing (and often two).

Voyage of the Glaciers – Top-Rated Itinerary

7 days – This is the most popular option, with two days dedicated to scenic glacier viewing. Spend seven days on a one-way cruise through the Inside Passage and beyond, and get close to the awe-inspiring Margerie Glacier in Glacier Bay National Park — a UNESCO World Heritage Site. Hubbard Glacier or College Fjord is also part of your voyage, along with visits to historic Juneau, Ketchikan and Skagway.

Inside Passage 7, 8, 10 or 11 days

Stretching all the way from Washington's Puget Sound and into Southeast Alaska, the Inside Passage has more than 1,000 islands, fjords and quiet bays. You'll visit some of the region's must-see sights like Margerie Glacier in Glacier Bay National Park. As you sail on a roundtrip cruise with Princess, admire the scenery surrounding you, and stop in iconic ports such as Skagway, Ketchikan and Juneau.
