## NOTES FROM OUR GUESTS

“I’ve already contacted my travel advisor to thank him for booking us on this amazing trip, and the Distinctive Voyages amenities were the icing on the cake! Our host was tons of fun, not to mention all the great food at the cocktail party. But the best was the shore excursion with the highlight being that we met a local family who taught us how to make the best salsa!”

## NOTES FROM OUR GUESTS

“Distinctive Voyages made everyone feel so special. On the day we boarded the ship, we received a very nice phone call from our Host welcoming us on board. At the Welcome Reception, we met our Host in person and made friends with others in our group. And our Exclusive Shore Excursion was the best experience we have had in a long time. We did a walking tour of a local vineyard and then enjoyed an amazing, wine-paired lunch. Needless to say, we will be asking our travel advisor to make sure that our next cruise is a Distinctive Voyages sailing!”

# SOUTH AMERICA

The iconic statue in the Marvelous City and towering fjords of Patagonia. A deep red vintage redefining the art of winemaking and a seaside city thriving with sultry dances and European panache. Gateways to the mighty roar of Iguazú Falls, the ancient stronghold at Machu Picchu, the breathtaking beauty of Perito Moreno Glacier and the otherworldly icescapes of Antarctica. Rio De Janeiro, Brazil. Buenos Aires, Argentina. Cape Horn and Valparaiso, Chile. Lima, Peru. On a Distinctive Voyages sailing to South America, you will find an inspiring world that embraces your heart and soul.

## NOTES FROM OUR GUESTS

“What a fun trip! We loved meeting James, our host, and it seemed he was always around and willing to answer all of our questions.

The shore excursion was great fun and since it involved flamenco dance lessons there was a lot of laughter and memories made.”

# EUROPE & THE BALTICS

Stunning landscapes and medieval strongholds. Massive walls of granite bracketing the sinuous snake of the fjords below and cosmopolitan cities flourishing with modern life and fairytale scenery. Gateways to gushing waterfalls, Gothic architecture, sprawling art installations and a sky that lights up like nothing you have seen before. Stockholm, Sweden. Helsinki, Finland. Tallinn, Estonia. Copenhagen, Denmark. Oslo, Norway. Reykjavik, Iceland. On a Distinctive Voyages sailing to the Baltic Sea and beyond, jaw-dropping becomes commonplace.

## NOTES FROM OUR GUESTS

“We loved the shore excursion in Kristiansand and got to know some of our fellow passengers along the way. Our travel advisor told us that we were going to visit the only vineyard in Norway so we had to go on the shore excursion!

I mean, who would have thought there is a vineyard in Norway! We loved our experience so much we booked another Distinctive Voyages sailing before we left the ship and our travel advisor has already been in touch with us to start planning our next trip!”

# AFRICA & THE MIDDLE EAST

Ancient villages and towering skyscrapers. Archeological sites revealing thousands of years of human history and saline-rich waters keeping you afloat as you take it all in. Gateways to safari expeditions chasing the Big Five, labyrinthine souks filled with spices and chatter, rolling hills of fabulous wine country and a sandstone city carved into a cliff. ## THE VALUE OF A DISTINCTIVE VOYAGES CRUISE HOST

Two of the main benefits of a Distinctive Voyages cruise — the invitation to a Private Welcome Reception and the Exclusive Amenity or Shore Event — are easy to envision. The third — the Services of a Distinctive Voyages Host — may seem a bit nebulous, but let us reassure you that it will be the most important part of your Distinctive Voyages experience.

Our extremely knowledgeable Hosts are carefully selected because they know both the ship and the itinerary inside and out. Acting as your personal concierge, our Hosts will take care of you throughout your voyage, from answering your questions to helping with restaurant and spa reservations, as well as recommending off-the-beaten path port experiences. In short, they'll make sure your entire time on board and on shore goes smoothly.

### Here are some comments from our Distinctive Voyages Hosts:

“Joining the Distinctive Voyages program as a Host was one of the best decisions I have made in my 32-year travel career. Distinctive Voyages cruisers are, without a doubt, wonderful people who love exploring the world’s rich cultures and fabulous destinations. It’s a great group to be a part of when you sail. You are guaranteed to make friends you’ll cherish forever.”

“I hosted my first Distinctive Voyages cruise in June 2014 and I’ve cherished every one since. Meeting the group at the Private Welcome Reception and discussing the ports of call throughout our journeys is a joy. Guests often express how helpful it is to have me on board, giving them tips and being a sounding board. That’s what we travel advisors do best — we love sharing our real-world experiences with fellow travelers.”  
**Tim, Distinctive Voyages Host**

“The Distinctive Voyages program has been a big hit with my clients. Having a complimentary shore event attached to a sailing has helped many of my clients choose one departure over another. The program allows me to use my destination experience and share my knowledge with like-minded travelers. I can’t wait to experience my next Host assignment and set sail with this great group of voyagers!”  
**Anita, Distinctive Voyages Host**

“What I love about the Distinctive Voyages program is that I get to meet so many new people! I enjoy sharing my journeys and also to be in the position to assist others with port recommendations or questions about the ship. But the best part is when the guests tell me how much fun they had on this cruise and to thank me for making this a wonderful vacation.”
