2025 Woodhead Cruise Itinerary

This 7-Day itinerary offers more than just margaritas and mariachis! You'll visit some of the best ports in the Mexican Riviera and get a taste of the warm sun, diverse culture and festive flavors of the region. With 3 ports of call and 3 days at sea, you'll have plenty of time to unwind and relax on one of the newest ships in Princess' fleet, Discovery Princess.

Los Angeles, California

The City of Angels always hovers between dream and reality. Once a near-forgotten colonial outpost, the pueblo metamorphosed into an agrarian paradise before reinventing itself as a movie colony. Perhaps no other city owes so much to the technological innovations of the 20th century, from the automobile to the airplane. LA is the source for trends that migrate across the country and then the world. Where else can you travel from downtown's high rises to the beaches of Malibu, shopping in Beverly Hills along the way?

Sea Days – Cruising

While at sea, take the time to recharge before the next adventure. Lounge by the pool, be spoiled at the spa, taste the many delicacies or explore the venues onboard, until you arrive at the next amazing destination.

Cabo San Lucas, Mexico

Millennia ago, Cabo San Lucas was part of the Mexican mainland. Then a massive rupture of the San Andreas Fault sent the waters of the Pacific crashing into the newly formed depression, creating the Sea of Cortez and the Baja Peninsula. Lying at the very tip of Baja, where the Pacific meets the Sea of Cortez, Cabo San Lucas - or "Cabo" - is one of the premier resort destinations in the Western Hemisphere. Swim in the transparent waters, marvel at the wealth of marine life including whales and dolphins, relax on one of the white-sand beaches or try your hand at some of the finest sportfishing in the world.

Mazatlan, Mexico

Lying just below the Tropic of Cancer, Mazatlan boasts a superb year-round climate. Mazatlan, a name that means "Place of the Deer," sits on a peninsula at the feet of the rugged Sierra Madre, and the Cerro de Neveria - "Ice Box Hill" - divides the area's rocky Pacific beaches from the broad, white-sand beaches beloved

by visitors. The climate, the beaches, and the world-class sportfishing have turned this commercial fishing port into one of the world's top resort destinations. Yet while visitors flock to the markets, bathe in the sun, or marvel at the airborne ballet of the famed Papantla dancers, Mazatlan remains one of Mexico's major Pacific ports - the city exports over 40 million pounds of shrimp every year.

Puerto Vallarta, Mexico

Once a sleepy village, Puerto Vallarta has transformed itself into an international resort. Director John Huston chose the village as the location for his film "Night of the Iguana," starring Richard Burton. Today, the city has its own "Gringo Gulch," a haunt of the rich and famous. Travelers are also drawn by its climate, its excellent shopping - which offers great values on leather goods, jewelry, and handicrafts - and mile after mile of palm-lined beaches.
