Alaska

7-Day Inside Passage Cruise - 2027

August 29 – September 5, 2027

Roundtrip from Seattle, Washington –
Onboard the new Star Princess®

Welcome aboard former crew, family and friends on this extraordinary Alaska cruise!

Alaska is vast in a way that's hard to grasp until you're in it. Glaciers stretch for miles and calve into the sea with a crack like thunder. Humpback whales blast from the depths in explosions of muscle and mist, awe-inspiring bald eagles perch high above harbors, and chubby sea otters play in the chilly water.

Unpack once and experience Alaska by sea on this popular Princess Cruises itinerary. Alaska's Inside Passage is a magnificent protected waterway and one of the most scenic in the world — one of the few locations where deep-draft vessels can sail close to steep mountain walls. Massive tidewater glaciers, forest-clad islands, ice-carved fjords and charming coastal towns such as **Juneau, Ketchikan, Skagway** and **Victoria, Canada** await you on this spectacular adventure.

DAY-BY-DAY ITINERARY & EXCURSION HIGHLIGHTS

PRINCESS

Day 1 - Sunday, August 29, 2027
Seattle, Washington (Departs 3:00pm)

Welcome to Seattle! This iconic northwest city is a young city with a rich history. Seattle has hosted two World's Fairs (1909 and 1962) and is the birthplace of two modern marvels, Boeing and Microsoft. Known for its rainy climate, Seattle actually averages less annual rainfall than many East Coast cities. The mild weather, spectacular natural surroundings and rich cultural diversity attract visitors from around the world.

Extend your stay in Seattle before or after your cruise and visit some of the city's most iconic attractions. Browse the bustling stalls of fresh produce and flowers at Pike Place Market, or take in unobstructed views over the scenic Puget Sound from atop the Space Needle. With so much to see and do in Seattle, you may want to stay a day or two.

Day 2 - Monday, August 30, 2027
At Sea

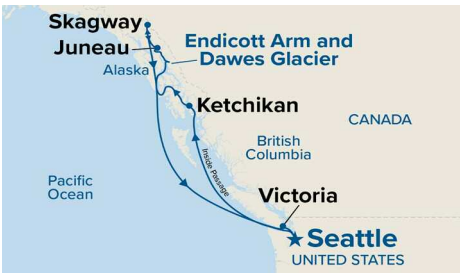

A day at sea on the Star Princess can be an adventure all its own! Experience the North to Alaska program. Enjoy the Alaskan scenery while you relax in a hot tub. Spend time in the spa. There's a wealth of diversions for nearly every interest – and mood.

Day 3 - Tuesday, August 31, 2027
Ketchikan, Alaska (6:30am – 3:00pm)

Ketchikan is known as Alaska's "First City" because it's the first major community travelers come to as they journey north. Located on an island, Ketchikan began life as a Native fishing camp. Visitors to Ketchikan will be intrigued by its rich Native heritage, which includes the world's oldest collection of totem poles at Totem Heritage Center. Ketchikan, with its abundance of salmon, is also a sportfishing paradise.

Excursion Highlights Include: Silverking Lodge Seafood Feast & Wilderness Cruise, Totem Bight State Park & Lumberjack Show, Misty Fjords National Monument by Seaplane, Crab Feast at George Inlet Lodge and more!*

Day 4 - Wednesday, Sept. 1, 2027
Scenic Cruising - Endicott Arm and Dawes Glacier (5:00am – 9:00am)

You'll want to get out of bed early today so you don't miss the scenic cruising! Located approximately 50 miles southeast of Juneau, Endicott Arm extends over 30 miles long, with nearly one-fifth of its area covered in ice. At the head of the fjord, Dawes Glacier, regularly expels enormous chunks of ice into the waters below in a magnificent process known as calving. During the summer when Princess ships visit, icebergs float along the surface of the glistening water in an array of sizes, from just a few inches up to three stories wide. Protected within the Tongass National Forest, Endicott Arm is a haven for wildlife. Black and brown bears, deer, wolves, harbor seals, mountain goats and a variety of seabirds have been spotted in the area. As you glide through the pristine fjord, you'll first pass by a lush forest where a number of beautiful waterfalls cascade down, and then you'll be treated to views of snowcapped mountains and blue-tinged glaciers more spectacular than you could ever imagine.

Juneau, Alaska (12:30pm – 9:00pm)

In 1880, it was slow going for Joe Juneau and Richard Harris as they searched for gold with the help of Native guides. After climbing mountains, forging streams and facing countless difficulties, they found nuggets "as large as beans." From their discovery came three of the largest gold mines in the world. By the end of World War II, more than $150 million in gold had been mined. Eventually the mines closed, but the town Joe Juneau founded became the capital of Alaska and the business of gold was replaced by the business of government. Some 30,000 people live in Juneau. Today Juneau is known for the Mendenhall Glacier, great whale watching opportunites, helicopter tours and more!

Excursion Highlights Include: Underground Mine Exploration & Gold Panning, Dog Sledding on the Mendenhall Glacier, Whale Watching & Alaska Salmon Bake, and more!*

Day 5 - Thursday, Sept. 2, 2027
Skagway, Alaska (6:00am – 5:00pm)

Skagway was the gateway to the gold fields for the thousands who flocked to Alaska and the Yukon with the hope of striking it rich. Over 100 years ago, the White Pass route through the Coast Mountains and the shorter but steeper Chilkoot Trail were used by countless stampeders. Take a ride on the White Pass Scenic Railway. This historic 40-mile roundtrip adventure retraces the original route to the White Pass Summit and takes you up 2,865 feet, through gorges, gulches and tunnels.

Excursion Highlights Include: White Pass Scenic Railway, Best of Skagway: Rail, Salmon Bake & Saloon, Ultimate Gold Panning, Sled Dogs & Scenic Railway and more!*

Day 7 - Saturday, Sept. 4, 2027
Victoria, Canada (7:00pm – 11:59pm)
Victoria exudes old-world charm and fragrant, colorful flowers are everywhere. Founded in 1843 by James Douglas of the Hudson's Bay Company, the city was first known as Fort Victoria. By 1848, Vancouver Island was a British colony and Victoria was its capital. In 1858, Victoria was a tent city and the base for some 25,000 prospectors on their way to the Frasier River gold fields. When Vancouver Island was incorporated with mainland British Columbia in 1868, Victoria became the capital of the entire province. The harbors, especially Inner Harbour, are dotted with pleasure craft, ferries and floatplanes. The city is renowned for its beautiful gardens, charming houses and very British feel.
