ROYAL CARIBBEAN

BIG PERFORMANCE MEETS BIG REWARDS

Royal Caribbean® brings you a program that recognizes stellar employees, business partners, clients, and lucky winners with an incredible cruise adventure like no other.

Our Royal Incentive Rewards® program treats recipients as the deserving individuals they are, giving them the freedom to go where they want, when they want. It's the highest form of recognition — and with the largest ships in the world, we mean that quite literally.

KEY PROGRAM BENEFITS

Easy to give and redeem

This turnkey program is hassle-free, easy to implement and makes administration a breeze. We handle the fulfillment, redemption and booking process so you don't have to.

Incentive certificates catered to them

And a budget catered to you. Choose from a wide range of certificate levels at various price points.

Order as many or as few as you like

There is no minimum or maximum number of certificates to be purchased.

Choices are as endless as the horizons we sail

Our 27 ships cruise to more than 300 destinations worldwide. Reward recipients can choose from a wide variety of itineraries and stateroom accommodations.

Certificates are fully upgradeable and transferable

Reward recipients can opt to use the certificates as stated or upgrade to a different stateroom at the prevailing rate of the sailing. They can also apply the face value of the certificates to a different Royal Caribbean® sailing of their preference.*

The term "expired" has been retired

There's plenty of time to redeem their prize because there's never an expiration date. That means more time to save up vacation days for the nice, long relaxing cruise they deserve.**

Greater flexibility than other reward programs

With limited blackout dates, reward recipients can redeem their certificates with ease.

---

* Recipient pays difference between Certificate value and lowest fare publicly available from the cruise line at the time of redemption.

** Certificates have no expiration date. Certificates redeemed more than 2 years after the issue date will provide the holder of the Certificate with a dollar credit amount against the cost of their cruise. The dollar credit amount will be based on the value for that type of certificate as shown in the Royal Caribbean price table in effect at the time the Certificate was purchased.

All Certificates applicable on ships that have been in service 365 days or more. Excludes Icon Class ships.
