Why Experience Alaska with Princess®?

1 #1 Cruise Line in Alaska

Travel Weekly readers have voted Princess the "Best Cruise Line in Alaska" a whopping 19 times. Boasting over 50 years' experience in the Great Land, Princess has helped more guests make Alaska memories than any other cruise line. With sailings from 4 to 20 days long, you'll find the perfect journey to suit your interests.

2 Glaciers

Be completely mesmerized by the sheer height of these towers of blue tinged ice some thousands of years old. Relish in the dramatic views of fjords, glaciers and alpine vistas from the deck of one of their iconic ships with itinerary options that take you to Glacier Bay National Park, Hubbard Glacier, College Fjord or Dawes Glacier (Endicott Arm).

3 North to Alaska

Princess' award-winning North to Alaska program brings local personalities, culture and cuisine on board and ashore to immerse you in all things Alaska during your cruise to the Great Land. Meet local personalities, such as lumberjacks and totem pole carvers, and snuggle with sleddogs-in-training with Puppies in the Piazza, a North to Alaska exclusive.

4 Fresh Alaska Seafood

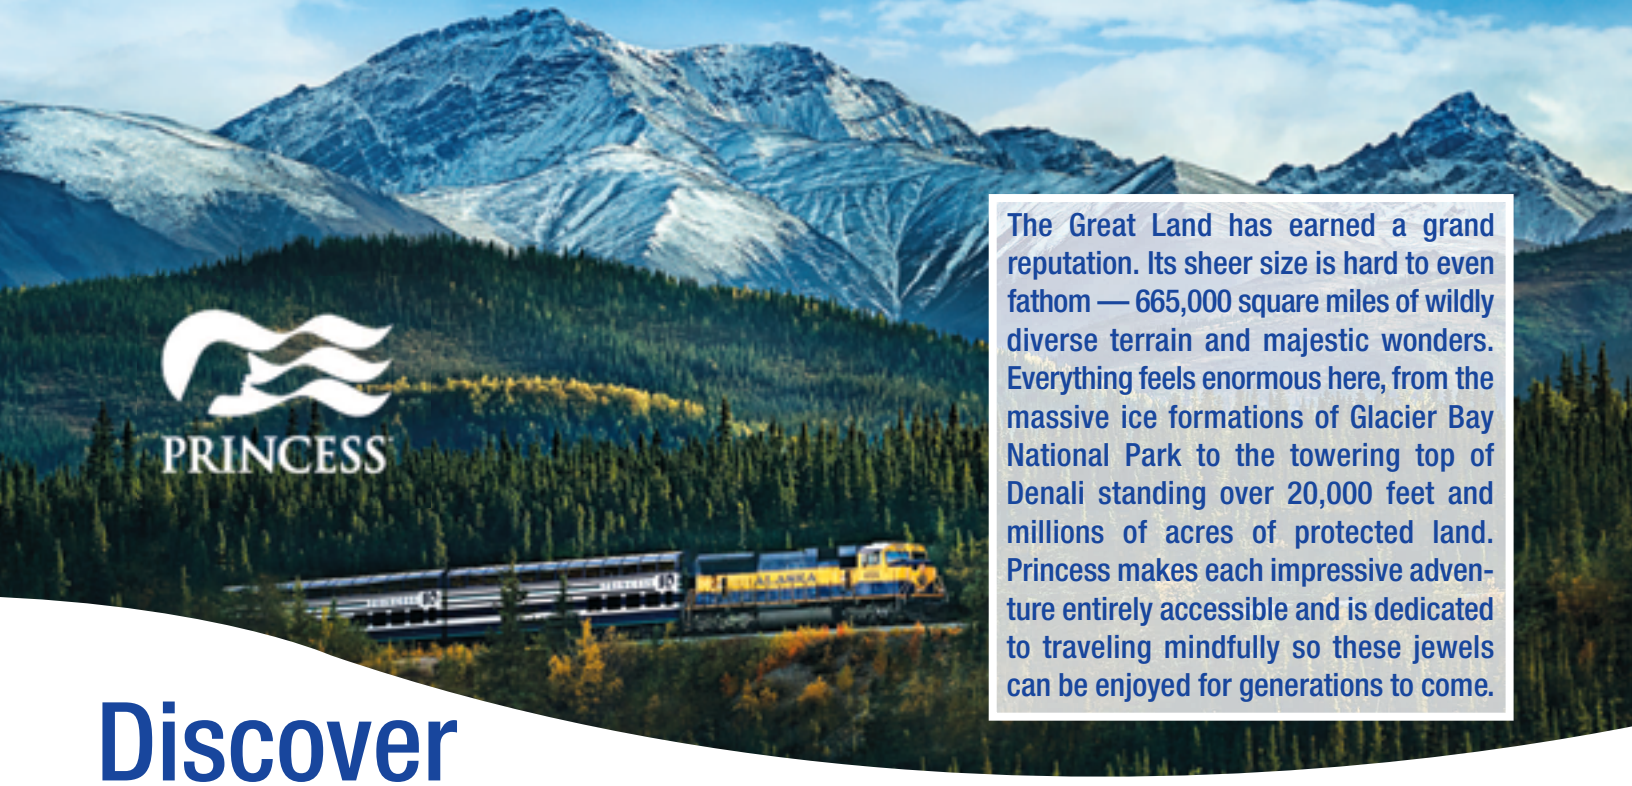

Taste your way through the Great Land from the main dining room with locally sourced seafood served any way you like. Indulge in chowders, fish & chips and a mouth-watering variety of salmon dishes. Plus, enjoy Wild Spot Prawns cooked to perfection and savor 30 distinctive dishes in the "Wild for Alaska Seafood" program. With Princess' exclusive "Cook My Catch" excursions, catch your own salmon or halibut with the help of a local expert, and in the evening Princess' talented chefs will prepare your haul for your dinner!

5 Best Excursions

Princess' comprehensive shore/land excursions program offers hundreds of choices to enhance your experience. Search for whales, bears and moose. Float on a raft down a pristine river. Soar in a helicopter. Even ride a dogsled atop a glacier!

Ships of Bermudan and British Registry

The Great Land has earned a grand reputation. Its sheer size is hard to even fathom — 665,000 square miles of wildly diverse terrain and majestic wonders. Everything feels enormous here, from the massive ice formations of Glacier Bay National Park to the towering top of Denali standing over 20,000 feet and millions of acres of protected land. Princess makes each impressive adventure entirely accessible and is dedicated to traveling mindfully so these jewels can be enjoyed for generations to come.
